Dear Member,

1st Dec 2026

The PHSG Membership year runs from January 1st to December 31st. We are pleased to continue to offer a good range of exercise classes and I have pleasure in inviting you to renew your membership with effect from 1st January 2027. New membership cards were issued in June 2026 as a **one-off** exercise and will remain in perpetuity as we do not send out a new one each year.

Please ensure that your subscription of **£8** is received before **30th January 2027**, as this will make our administration much easier.

New this year, the Renewal Form has been integrated into the back cover of your magazine so no more “pink” form. Just complete the form in the magazine, cut it out and pop it in the post, with your payment.

If you are paying by **Bank Transfer**, you can complete the **online** Renewal Confirmation form via our **website** and save a bit on postage. You can also Cancel your membership using this method if you so wish.

Donation Facility

I should also point out the facility for you to make a donation, additional to your fees, which will enable us to continue to help all our members and expand the facilities that we can make available. Thank you.

Payment may be made preferably by Direct Banking transfer to:

Account Name: Poole Heart Support Group.

Sort Code 30-96-73, Account 03004258

Please use your Membership Number (On the address label) as reference.

Then confirm online via our website or return this form marked with ‘Bank Transfer’ payment

Or you may pay by Cheque:

Made out to ‘Poole Heart Support Group’ written out in full and enclosed herewith.

If you choose not to renew, you can cancel your membership via our website. As such, you will no longer be entitled to attend exercise classes and social events or receive our Magazine.

UK GDPR - MOST IMPORTANT: UK data protection regulations require us to ask you positively to give us permission to hold your membership data and communicate with you by email, telephone or post. By signing the form, you will give us that permission. So please ensure that you sign the form or obviously we can’t serve you as a member! Full details of how we hold and handle your data can be found on our website or you can request a copy by using our Contact Us page or contacting a committee member. We will never share the data with any other organisation.

Many thanks, and my very best wishes to you all.
